Open House At Schools March 6-10

Canyon Public Schools will join in the statewide observance of "public school week" which has been set for March 6-10 according to an announcement by James E. Miller, chairman of the Public Education Committee.

Miller was named to head the local observance of public school week at a meeting last week. Appointed to serve as the acting steering committee for the observance were Huey Laycock, superintendent of schools, Hobart McDonald, Luther Lawless, Oscar Hinger, Easton Wall and Ocoee Holt. "We will begin work on plans (See OPEN, Page 3)

Girlstown Program Set Here

Representatives from Girlstown USA will speak at a community wide meeting to be held in Canyon according to Wayne Edmondson, president of the Canyon Jaycees.

The public is invited to attend the meeting which is planned for late February.

Marshall Cooper, director of Girlstown, will speak to the community on problems being encountered at the girl's school. The program will also feature a number of pictorial slides of the school, and musical numbers by girls who reside at the home.

The program will be the first in a series of projects aiding the home. Throughout the next several weeks local Jaycees will contact a majority of local clubs on the project.

BOY SCOUT WEEK will be proclaimed in local store windows with various displays next week. This display of a modern day campsite is being prepared by youths of Troop 66, Thunderbird Patrol. Members, left to right, are Rex McPherson, Roy Markham, Stephen Daugherty and Gary Hair, front right.

Scouting Anniversary Observance Planned

Canyon is preparing to celebrate the fifty-seventh anniversary of the Boy Scouts of America as it recognizes National Boy Scout Week February 7-13.

Highlight of the week of national observance will come Sunday, February 12, when members of each scouting level will attend in uniform, with his

pack, troop or post, the church which sponsors his group.

Scout Week activities will open for many of the various troops with upcoming ski trips. Scouts of Troop 31, directed by Meredith Warren, will leave February 10 on a skiing trip to Red River, New Mexico.

Among other events planned for the week's observance will be the placement of Scout information posters and crafts projects in windows of local business firms.

Robert Brotherton's Troop 66 will sponsor a "parent-son banquet" on Monday evening, February 13, at 7 p.m. in the Canyon High School cafeteria. Mothers at the event will be presented with bracelet charms representing their son's rank. The banquet will be a pot-luck affair.

Boys may begin their scouting experience at the age of eight

by applying for Cub Scout membership with any of the local packs or by contacting Gene Morrison, OLS-3411 or OLS-3510.

Cubs meet weekly for an hour learning such things as how to use a saw, hammer and nails; (See SCOUTING, Page 3)

Mandamus Writ Denied By Judge

Judy Rae Anderson, a 16-year-old Canyon bride, was denied a writ of mandamus Friday as she sought to force admission to Canyon public schools.

She is a ninth grader. Hearing on the application was held in the Potter County Courthouse 47th District Court-

Community Workshop Is Monday

The first in a two-part series of workshops concerning "how legislation affects you and the Canyon Independent School District" will be held Monday, February 6, at Rex Reeves Elementary School.

Sponsored by the Rex Reeves Parent-Teacher Association, the program will begin at 7:30 p.m. and all interested parents are urged to attend.

Dr. Emmitt D. Smith, President of the Canyon Independent School District, will be the guest speaker. (See COMMUNITY, Page 3)

Voters Hit Record High

A record number of Randall County residents have registered to vote in the 1967 election, said Bill Money.

Money, who is Randall County tax assessor-collector, said the figure for registrants will probably reach 14,500 when the final tally is made next week.

Stacks of near-deadline applications to vote are still being counted, Money said, and final figures are not available. Last year a total of 13,471 had registered to vote, with the last 2,300 tallied under the free registration system.

In 1965, another off-year election, 11,101 paid poll tax to vote.

Randall Top County In Growth

Randall County is the fastest growing in Texas, according to a list prepared by the Texas Business Review.

The publication's January edition says the county, which includes the southern portion of Amarillo on its northern boundary, has increased from a population of 33,913 in 1960 to an estimated 54,922 as of last April.

The county has been growing at a rate of 7.9 per cent a year over the six-year period. No other county in the State was listed with a growth of more than six per cent.

Heart Fund Drive Set Overnight

Heart Fund Month is conducted nationally throughout the month of February and this year's slogan is "Give--So More Will Live," according to Clark Jarnagin, Randall County chairman of the American Heart Association.

"We will conduct our local drive in conjunction with the Amarillo Jaycees Heart Telethon," stated Jarnagin. All local contributors should plan to make their contributions locally however, as funds turned in to the Amarillo branch will be registered and counted there and will not benefit local heart patients.

The Canyon Heart Fund Drive will be conducted by the Canyon Jaycees with headquarters at the First National Room in the new bank building. Contributors may bring donations to headquarters or call in donations for the Jaycees to pick up (See HEART, Page 3)

Foundation Being Set Up By Group

Canyon Industrial Development Foundation has \$31,000 pledged, Joe Gidden told members of the Canyon Chamber of Commerce Division on Industrial Development Tuesday night.

Gidden is head of a Chamber group raising money through pledges to pave the way for new industry in Canyon.

Gidden said a charter for the foundation is being shaped at the present time. Participating members will serve as foundation directors.

"We are going to try to woo some industry," Gidden told the group. "We are going to get some sites and move off dead center."

Dr. Emmitt Smith acted as master of ceremonies for the Tuesday night meeting. He is chairman of the Canyon Chamber of Commerce Industrial Relations Committee.

Amarillo Chamber of Commerce representatives met with

the group and offered assistance. Here from Amarillo were Roger Owen of Southwestern Public Service Company and Jack Latham, Lee Rising and Carroll Pouncey, of the Amarillo Chamber staff.

Smith said he has visited both (See FOUNDATION, Page 3)

Crop Signup Begins Here On Monday

Randall County farmers will begin signing to participate in the 1967 feed grain, wheat, and cotton programs next Monday.

Signing to participate in the programs will entitle producers to price support payments and price support loans on all three commodities. In addition, cotton farms and small feed grain farms will be eligible for diversion payments.

The Best Eight Years

Sad Suitor Sues For Sustenance

An Amarillo man has sued a Randall County woman for a total of \$250,000, alleging, in part, that she refused to marry him after an eight-year courtship.

The case, transferred to 47th District Court here from Potter County at the request of the woman, charges that she had promised the man a \$100,000 business, plus expenses, marriage, and a "luxurious home".

The plaintiff charges, in part: "That the defendant is fond of traveling, partying, and having a good time in general, but was not able to properly attend the functions and to go the places

she wanted to without a male escort, and therefore began to monopolize plaintiff's time, calling upon him day and night to visit with her, travel with her, and generally be her companion and to provide any services she might need or ask of him."

The man further charges: "That plaintiff for eight years has refrained from training himself for a permanent career in any business."

He alleges he was prevented from keeping company with "any younger and more desirable women and from marrying any one of them" during the courtship she severed.

"That by reason of defendant's promises," his petition states, "plaintiff has been further damaged by the loss of eight years of his young age when he could and would have (See SUITOR, Page 3)

Conference Is Studied

West Texas State University will host a meeting next week in Amarillo with representatives from Colorado State, New Mexico State, and Utah State for the purposes of organizing a major NCAA athletic conference.

The Sports Committee of the Amarillo Chamber of Commerce and the Buffalo Idea Committee will host a social hour Sunday evening, Feb. 5, at 7, at the Amarillo Country Club for those interested in formation of the new conference, according to Bob Mills, Sports Committee chairman, and Larry Wright, Buffalo Idea Committee chairman.

A dutch dinner will follow the social hour for those who wish to remain. The cost of the dinner is \$6.00, payable at the door. Reservations for the dinner may be made by contacting Sandy Michael at DR-4-5238 in Amarillo.

Enrollment Record Set

Final spring enrollment at West Texas State University is expected to total approximately 5,775 day and evening only students when registration is complete Feb. 11, President James P. Cornette said Tuesday. A total of 5,194 was registered in the spring of 1966.

At the end of the fifth day of registration Monday, a total of 4,296 full time, or day students (See ENROLLMENT, Page 3)

Blaze Blackens 100 Park Acres

Fire swept through the Devil's Slide area of Palo Duro Canyon State Park last Saturday destroying about 100 acres of grass, scrub oak and cottonwood trees.

Park Superintendent Jerry Mullican said the area burned Saturday was about one-half mile long and 150 yards wide. He said juniper, oak and eight

to ten 100-year-old cottonwood trees were destroyed.

The blaze, reported to the Canyon Fire Department at 2 p.m., was believed to have started from a camper's fire.

The initial report on the fire was given to Park Rangers by a group of Boy Scouts who were hiking near a cottonwood picnic area.

When their attempts to halt the blaze failed, additional help was summoned.

Fire Chief Jim Christopher said firemen were hampered because the blaze jumped a small creek where truck units could not travel.

Several firemen equipped with mobile fire fighting "back packs" covered the area on foot in an attempt to contain the blaze that was being fanned by high winds.

Christopher said the units had contained the fire but were called to the area again at 8

Daughters Date Dads

Canyon fathers will be entertained by their daughters at the upcoming Sweetheart Banquet being planned by Canyon's Girl Scout and Brownie troops.

The box supper affair will be held February 10 at 7 p.m. in the cafeteria of Rex Reeves Elementary School. Program for the evening will feature skits, pantomimes, and musical arrangements by each of the various troops.

Gun Safety Program Is Tonight

A presentation on "gun safety" will be given tonight, Thursday, at 7:30 in the all-purpose room of Rex Reeves Elementary School.

All interested boys and girls, ages 7-14, are invited for the program which will feature a local law enforcement official speaking on gun safety. Parents are also urged to be present for the meeting.

The meeting will begin a Shooting Education Program to be sponsored by the Canyon Jaycees. Enrollment for the program will be taken at the preview meeting tonight.

The 13 lesson course will teach youths the knowledge of good gun manners, safety procedures in gun handling and the fundamentals of marksmanship according to Jim Scott, chairman.

Lessons will be taught with a B-B gun using targets spaced at 15 feet. All participants in the program will wear shooting vests during the lessons stated Scott.

ALAN DEMUS is shown here looking at the map of Australia on a globe. Alan spent some two weeks in Australia in January attending summer school in Sydney.

Demus Home With Aussie Tan

BY TROY MARTIN

Alan Demus is back home with an Australian suntan after spending two weeks attending summer school in the land down under.

The school was held in Sydney.

Alan arrived back in Amarillo about midnight Sunday.

"It was hard to believe that I was in London that morning," Alan declared.

Demus left here in early January. He visited Washington and was congratulated by President Johnson. The first leg of his trip was to Los Angeles. On the way over his plane

touched down at Honolulu, the Fiji Islands and at Auckland in New Zealand.

"I didn't get to see much," Alan related, "just the airports." From Auckland he went to Sydney.

In his party of students from the US were six boys and four girls, some of America's top students.

Alan enjoyed most phases of his trip but he leaves no doubt that he enjoyed the summer school more than anything else.

The students studied physics and astronomy under some world famous teachers.

He said that as far as he was (See DEMUS, Page 3)

FROM THE CANYON RIM

By Troy Martin

The future of the Panhandle must parallel that of West Texas State University.

One of the first things industry asks when it begins looking around for plant sites is: "What kind of educational facilities does this area have?"

Industry is not interested only in a good place for the children of employees to go to school. Universities provide research and other facilities vital to industry.

Up grading of West Texas State University should be the number one projects of both the Canyon and Amarillo Chambers of Commerce.

Amarillo will almost certainly never have a four-year state-supported college -- the city being so near West Texas State.

I've been here in Canyon almost seven years now and I still have the feeling that Amarillo does not think of West Texas State as "our school." I think that one reason for this attitude on the part of some Amarillo people is the fault of we who live in Canyon. I think maybe we are still hanging onto some prejudices about Amarillo that should have been buried years ago.

This I know, the Chambers of Commerce of Amarillo and Canyon can work with each other to a big advantage for both communities.

I'm not for a minute saying that Amarillo people and Canyon people have not worked together in the past on WT improvement. I'm saying that we should seek closer cooperation in the future on matters pertaining to West Texas State, industry and tourist development.

Badly needed, I think, are committees from the Canyon Chamber of Commerce and from the Amarillo Chamber to meet jointly at regular intervals.

This is just a thought, but I've been pondering the possibility of Canyon and Amarillo supplementing the salaries of two or three nationally famous educators in order to bring them to West Texas State.

A famous football coach will draw players who just want to play with him. By the same token, famous professors would draw top students who just want

to study under him.

I get a lot of mail, some of it is so obviously junk mail that I don't even open it but this week I got a folder that made me stop and think.

On the front of the folder is the picture of a beardless boy with a cigarette in his hand. The caption is "His first cigarette may be a matter of life or death."

It's hard to abolish a government office, no matter how outdated it may be. Someone in a position to know this week told me that there are 40 counties in Texas with county school superintendents and no schools to superintend.

Gene Klein, former mayor of Amarillo, was by the office Monday. He wanted to talk about county zoning.

Since Randall County is almost urban area at the present time and is being further urbanized every day, I agree with Gene that there ought to be some county zoning. Otherwise, we could wake up with shanties and junk yards all the way to Amarillo. It's bad enough now.

I've been for some system of county zoning since I arrived in Randall County almost seven years ago. I am especially for zoning on the freeway between here and Amarillo.

"How could you swindle people who have trusted you?" an indignant judge asked a con man.

"Well, judge I guess it's because it's so hard to swindle people who don't trust you," the culprit replied.

MYF Plans Fund Events

Two fund raising projects will be held Saturday, under direction of the Methodist Youth Fellowship of the First Methodist Church.

A bake sale is slated at Taylor and Sons Food between 8 a.m. and 3 p.m. All types of pies, cakes and desserts will be available.

The MYF will also conduct a "pop bottle" drive on Saturday.

Accident Ruled In Shooting

Accidental death was ruled Saturday in the death of Stanley Lair.

Lair, 34 years old, was killed Monday of last week at the gate of a field belonging to his brother, T. H. Lair. A .22 caliber rifle was lying by him.

Coroner's ruling was made by Justice of the Peace W. A. "Bill" Wilson.

FHA Banquet Set Saturday

Annual spring banquet for the Canyon High School chapter of the Future Homemakers of America will be held Saturday, February 4 at 7:30 o'clock in the CHS cafeteria.

Highlight of the evening will be the presentation of awards to winners of the Miss FHA, Miss Personality, Posture Queen, Charm Queen, and Prince Charming contests.

The banquet will be concluded with a prom featuring the "Torrens" according to Mrs. Clara B. Long, home economics teacher.

Miss Lynda Taylor is president of the organization. Alice Wilson is serving as chairman of banquet decorations and arrangements.

Nominees for the title of Miss FHA are Lynda Taylor, Linda Hand, Judy Sykes and Janice Allen.

Those nominated for Miss Personality are Donna Crisp, Linda Hand, Pam Stevens, and Judy Sykes.

Posture Queen candidates are Sharon Sims, Diane Podzemny, Rachel Glover, Janice Allen, Sue Lever and Judy Sykes.

Charm Queen nominees are Judy Sykes, Linda Hand, Sue Thompson, Alice Wilson and Sue LeFever.

Vying for the title of Prince Charming are Sherman Smith and Dick Cummins.

Acclaimed Musicians To Appear

Two internationally acclaimed artists will be presented in concert-recital appearances at West Texas State University Feb. 5 and Feb. 6.

Ottomar Borwitzky, principal cellist of the Berlin Philharmonic Orchestra, will be guest soloist with the WTSU orchestra Sunday, Feb. 5 at 3 p.m.

Jeffrey Siegel, Leventritt Foundation award-winning pianist, will be presented in recital Feb. 6 at 8:15 p.m.

There is no admission charge for the programs which will be in the Fine Arts Auditorium. All seats for the Feb. 6 recital are reserved, however. Complimentary reserved tickets may be obtained by writing or phoning the WTSU Music office.

HONOR AWARDS were given to, left to right, Mike Shaddix, seventh grade; Jamie Martin, eighth grade; and Andy Hanson, ninth grade, in ceremonies of the National Honor Society at Canyon Junior High School.

FFA Boys Promoted

Some 20 members of the Canyon Future Farmers of America were promoted to chapter farmers in ceremonies last week.

Those promoted include Max Bosley, Charles Batenhorst, Art Foster, Hank Gertson, Mike Henders, Curtis O'Donald, Kyle Sunderman, Gerald Batenhorst, Clifford Boehning, Louis Brandt.

Jerry Crane, Mike Dudenhoeffer, Johnny Green, Roy Holenstein, Craig Parker, Arnold Wiek, Stanley Wier, Mark Moore, Robert Gotch and Bob Smith.

Plans for the Parent-Son Banquet in conjunction with FFA Week were also discussed.

The banquet has been set for February 20 at 7 p.m. in the CHS cafeteria. Several awards will be presented including two honorary chapter farmer degrees.

Other business included a decision to lower the price of FFA-sponsored student license tags from \$1.50 to 75 cents and the annual sale of sausage for 75 cents per pound.

The group will also sell grapefruit and oranges at a cost of \$4.50 for 40 pounds. Request for the fruit must be made by Feb. 16.

Honor Award For Students

Three students from Canyon Junior High School were presented as "honor students of the month" for the National Junior Honor Society Monday afternoon.

Students named to receive the award were Mike Shaddix, seventh grade; Jamie Martin, eighth grade; and Andy Hanson, ninth grade.

Recipients of the award are judged on scholarship, character, service, citizenship and leadership according to Larry Daniel, president of the group.

Sponsors for the group are Mrs. Lucille Ball, Mrs. Boone McClure and Wayne Phemister.

Bogus Bill Found At Bank Here

A counterfeit \$20 bill was given to a teller at the drive-in window of the First National Bank either Saturday or Monday morning.

The bogus bill's serial and series number was checked with the US Treasury Department in Dallas Monday by Sheriff L. S. "Slim" Johnston.

The Department said the number and markings on the bill described indicated the currency was not genuine.

Bank employees were counting the receipts from the drive-in window Monday when they discovered one of the \$20 bills had lighter printing and paper than the rest. They became suspicious and notified authorities.

The employees could offer no help in giving a description of the person cashing the bill. Johnston said he would forward the bill to the Treasury Department.

Visiting in the home of Ida Schuette recently was Dietrich Overhoff.

was denied. The Clifford farm is located 15 miles northwest of Canyon. The Cliffords and the Stevens had been friends. Clifford and Stevens had traveled to rodeos together.

Mrs. Clifford had filed for a divorce March 31, 1966. Judge Jordan had issued a restraining order against Clifford March 1. Clifford was enjoined from "molesting" his wife.

District Attorney Hunter said a venire of 120 were called for the trial at Hereford. Court will convene at 10 o'clock Monday morning.

Records of the Denton trial are expected to play a prominent part in Clifford's second trial. At Denton he testified that he was "blackout" at the time he shot his wife.

However, his testimony indicated that he was rational and knew what he was doing as he sped to Hereford and shot Stevens.

concerned, Herman Bondi, whose home is in England, was one of the top lecturers.

"We studied mostly about the universe," Alan related. "The best part of the trip was being able to talk to scientists after lectures."

Demus lived with the George Bell family in Sydney. The Bells' son, James, also attended the school.

It's mid-summer in Australia now. During the stay Alan spent a week end yachting. He left his shoes and socks off and the tops of his feet sun blistered.

"I could hardly walk for a week," he declared.

Demus enjoyed the people he met in Australia. Their accent is about what you would expect from a Cockney in England, he related.

"I never had a cold drink with ice in it while I was there," said Demus. "I don't know why this is."

He said motorists have a lot of accidents. "People drive like maniacs," he related. Auto accidents are referred to as "prangs," he said.

He had some difficulty with counting money at first. Australia has two systems of money for the time being. The country is going off the English system of money and is substituting the dollar system. "One Australian dollar is worth \$1.12 of our money," Demus related. "I found the food somewhat different to ours," Alan said. "I didn't have any fresh vegetables while I was there." He noted that this might have been characteristic of the family with which he lived rather than of the country.

On his return trip, he visited in Hong Kong. He found Hong Kong depressing because of the way people are forced to live there. He said some apartment houses have as many as 3,000 people crowded in them.

"There's a characteristic smell to Hong Kong," said Alan. "It smells like stale rice and fish."

He visited the Kowloon Peninsula. "You see junks and sampans in the water and then you realize that people are living on them," Alan related. "It's one thing to read about it and another to see it. It's pretty depressing."

He said the shops of Hong Kong are enticing.

"I spent \$100 there," he said. He bought several items, including a wrist watch.

The group left Hong Kong by plane and were briefly in Bombay and Kerachi. They did not have time to visit these cities.

"Rome is a good place for sight seeing," said Alan. He was there two days and saw the Coliseum and the Forum. "I just walked around one day," he reported. He even threw a coin in the Fountain of Trevi.

Alan's group was in London a day and a half. In London he saw Big Ben and Piccadilly Circus and went to a play at the Haymarket Theatre. He also saw Buckingham Palace.

The group flew from London to New York Sunday and arrived back in this country about 5:30 o'clock Sunday afternoon.

Somewhat sadly the group of students broke up and each went his separate way.

"They are all brilliant people," declared Alan.

Alan is a senior in Canyon High School but he expressed no concern at having missed more than two weeks of school.

"I think I can catch up," he declared.

Alan was chosen to go to the Australian summer school because of his top grades on National Merit Scholarship tests. The National Science Foundation selected the winning youngsters.

Top 'Spirits' Are Named

Spirit King and Queen for Canyon Junior High School were crowned last Thursday evening at the CJHS gymnasium during a triple series of basketball games versus Tulsa.

Receiving the honor by class registration were Jan Sternberg and Johnny Johnson, who represented the ninth grade.

Pat Hickman, president of the Student Council, presented the awards.

Runnersup in the event were Kim Tucker and Mike Swartzell from the eighth grade, and Ricky Edmondson and Ginger Currie from the seventh grade.

at the hearing.

Attorney A. W. Lair, representing Canyon Schools, moved for a dismissal at the beginning of the hearing. The motion was denied.

Only witnesses heard were Easton Wall, Canyon Junior High School principal, and School Supt. Hueyn Laycock.

Wall testified that Mrs. Anderson made application Jan. 5 for admission to junior high school as a ninth grader. He said he informed her of school policy at that time. He said she was again denied enrollment Jan. 16.

Superintendent Laycock said Mrs. Anderson appealed to him Jan. 16 and upon being denied admission, appealed to the school board at a board meeting the night of Jan. 17.

Walter Wolfram, Amarillo, attorney for Mrs. Anderson, introduced in evidence a letter from Wall to Mrs. Anderson. The letter again stated school policy.

At the school board meeting, board members expressed concern that admission of Mrs. Anderson might influence other young students.

Laycock testified that Mrs. Anderson would be eligible for admission to school in September.

Wolfram put Mrs. Anderson on the stand but Judge Jordan called a halt to testimony.

"I think the facts have been established," the judge declared.

"I'd like to read some law," said Lair.

Lair noted that there is no Texas law or precedent paralleling the Anderson case. "We'll make some then," said Jordan.

Lair said there had been an attorney general's opinion previously "but that's just one man's opinion."

He cited a Tennessee case in which the courts held with the school in suspending a student temporarily.

Judge Jordan said the Canyon School policy was within the discretion of the board and in no way capricious or arbitrary.

"These are fair people," here declared the judge. "I think this is within the discretion of the board. And I don't think this is capricious."

Wolfram said he would appeal the ruling to the 7th Court of Appeals in Amarillo.

"This will become meaningless even if we win," he declared. He said so much time will be taken up by the appeal that his client would be hopelessly behind even if she eventually is permitted to enter school.

Judge Jordan said the Canyon School policy was within the discretion of the board and in no way capricious or arbitrary.

"These are fair people," here declared the judge. "I think this is within the discretion of the board. And I don't think this is capricious."

Rising urged the group to "assemble all your assets and see how many liabilities you can correct."

"Then you have something to sell," Rising went on. He said it is essential to be honest with industry. He noted that no community can have all assets and no liabilities.

"There's no reason for Dallas to be Dallas except through a lot of leadership," said Owen. He said most companies like to have some local investment and urged that a site be nailed down before an approach is made to an industry.

Latham pointed out that this area is somewhat isolated geographically but that we must work with what we have at hand. Latham is research manager for the Amarillo Chamber.

"We have to sell the whole area," Latham declared. "Anything that we have developed is available for your use. Canyon may use accumulated material already researched by the Amarillo Chamber."

"Know your community so you can give a good general picture of it," said Rising. "You don't necessarily have to have all the information that might be required but you should know where to get it."

A. W. Lair of Canyon asked how many concessions a community ought to make to get industry.

The group from Amarillo advised against giving any inducement such as tax forgiveness for a period of years. They said that most legitimate industries will want to pay their own way in a community.

"Don't let smokestacks get in your eyes," warned Rising. He said an industry considered by Canyon should be one which would be good for the community.

The Amarillo group advised that about four people should be chosen to contact prospective industry with more people being called in if needed. Brochures on available industrial parks were recommended in order to have something to show to prospects.

Smith requested that eight sub committees hold meetings

There are 100 kinds of merit badges which may be earned in the scouting program locally and for each of these badges there must be a counselor, or someone trained or practiced in that field to lead the boys according to local scout leaders.

Dr. Smith will discuss Titles I-V and how each one affects the local school, and how it is being used in Canyon.

As PESO director, Dr. Smith will also explain why the Panhandle is unique in having the PESO program, what the program involves and future plans and expectations from the organization.

The two-part workshop is designed to inform parents and citizens of the area on the basic structure and organization of the school system. A question and answer session will conclude the meeting. Refreshments will be served.

Dr. Smith was named vice president of program development, research and public services at West Texas State University during 1965-66. He received the B. S. degree from WTSU in 1935, the M.Ed. at Texas Technological College in 1941 and the Ed.D. at the University of Texas in 1954.

The 1967 wheat price support payments will be paid on a maximum of 35% of the effective wheat allotment. There are no advance payments under the wheat programs.

Price support payments under the 1967 cotton program will be paid on a maximum of 65% of the allotment. In addition, producers may elect to divert anywhere between 12 1/2% to 35% of the cotton allotment and receive diversion payments for the acreage. One-half of the computed diversion payment can be advanced, if requested.

dents had started enrolling, while in 1966, at the same time, 3,903 had started. For the same period this year, 1,068 evening students had started, while last year, 831 had begun registration for night classes.

Final day enrollment is expected to total about 4,350 and evening only registration about 1,425. Final comparable figures for last year were 3,972 day, and 1,222 evening only students.

Evening only students may register for classes through Thursday night prior to beginning of class periods at 7 p.m., and next week, through Feb. 11, during the day before 4 p.m.

Students may enroll for day classes through Feb. 11, the last day to pay fees.

NEWS BRIEFS
January 23, 1967

A HIGH OF 75 degrees was recorded in Canyon Monday according to Dr. Murray B. Measamer, head of the geography department at West Texas State University, who compiles local weather information.

Dr. Measamer said that "it is normal to have a warming spell during January of February but temperatures for this length of time are unusual."

CHS Girls Keep Pace With Perryton Win

Canyon High School's girls soundly thrashed Perryton last week in a road game to remain right on the heels of the district-leading Tulia Hornets. While the girls were taking a 40-26 decision the Eagle boys put their championship hopes in definite jeopardy by falling 67-55 to the Rangers. The boys remain in second place, but now lag behind loop-leader Tulia by two full games.

At press time the girls' 3-1 record put Canyon only a half-game behind the 3-0 Hornets.

Using a tight defense that gave up only 10 points in the first three quarters, the girls led all the way. Marilyn Wieck was a standout on defense, grabbing six rebounds and making two steals, and Beverly Brown played a commendable game as well.

Pam Sternberg scored 26 points and was high scorer for the game. The girls hit 50% of their field shots in the first half, and hit 45% for the game. Coach Bob Schneider called

Lawbreakers Think Lockup Is 'Home'

BY WAYNE BOARD

It may be called a lock-up, pokey or calaboose, but to those who have chosen to run afoul of the law, it is simply a jail.

The Randall County Jail has been "home" for many lawbreakers since it was constructed in 1957.

It has not been full since Merle Strickland, deputy-jailer for two years, came to work for Sheriff L. S. "Slim" Johnston, who was elected in 1953.

"It's never been empty more than two hours either since I came here," Strickland stated.

Although there has never been a full-fledged jail break, one prisoner did manage to kick out a window and drop to freedom.

"He was out about six hours," Strickland said, "but we caught him and brought him back. He got two years in the pen for jail breaking on top of what he got for conviction of burglary."

The prisoner was scrubbing a 36-inch "run around" between the cells and the outside wall when the incident occurred.

"We stopped that route of escape," Strickland declared.

"There's wire in between the glass window now."

Although prisoners are usually searched thoroughly before being taken upstairs to jail, there have been instances of items being smuggled into the iron-bar confines.

Strickland said several home-made weapons had been made by ingenious prisoners but that they were always found when the jail was searched each month.

"There is nothing allowed upstairs that is made of metal or glass," Strickland declared.

One prisoner recently did several dollars in damage when he stopped up the jail's "water works".

The prisoner was then placed in a cell that is covered from top to bottom with canvas-covered foam padding.

"He ripped that from the wall too," Strickland laughed.

If, in the opinion of Strickland and Johnston, an inmate confined for a misdemeanor offense has proven he can be relied upon, he may be made

THE SHEFFY-ANDERSON history scholarship for \$60 was awarded to Mrs. Mary Jane McDaniel, Dalhart senior, for excellence in advanced history work at West Texas State University.

Looking on are Dr. Lowell H. Harrison, history department head, standing, and Milton Morris, director of student financial aid.

Junior High Boys Have Perfect Week

Canyon Junior High School's boys had a perfect week at the cage wars this week, rolling up a combined 4-0 record.

The Eighth Grade won two contests, beating Tulia 25-20 and slipping past Coronado of Plainview 34-33.

The Ninth Grade ran their record to 7-3 by winning their fifth in a row, a 43-27 verdict over Coronado, whose team had lost only one previous game this season.

Johnny Johnson's 14 points and 12 rebounds led Canyon in two categories. Bobby Martin scored 10 points and Gary Hester picked up 8.

Ronnie Hager played only in the last period, but distinguished himself by snatching eight rebounds and scoring six points in that short time.

The Seventh Grade took a narrow 24-21 win over Tulia, maintaining a lead of between one and three points for almost the entire game. The difference was at the foul line, where Canyon outscored Tulia 10-5.

Mike Podzemny and Billy Bob Taylor got most of the points with 10 and 8, respectively.

Coach Swayne McCauley complimented Clifford Prichard for "greatly improved aggressiveness in rebounding" and Mike Shadix for "one of his finer games of the year."

Two Foes For Buffs Next Week

The 1-1 Buffaloes of West Texas State will face two opponents in three days this week when they entertain the Hardin-Simmons Cowboys in Buffalo Fieldhouse Monday night and visit the Oklahoma City Chiefs Wednesday evening.

West Texas will be meeting Hardin-Simmons for the first time this season, whereas the Oklahoma City trip complements a 128-103 loss the Buffs absorbed Jan. 20 in Canyon.

The Buffs will have a serious challenge on their minds when they test Oklahoma City. When the teams met in Canyon, Chief guard Gary Gray bombed the Buffs for a fantastic 55 points.

West Texas Coach Jimmy Viramontes and OCU Coach Abe Lemons will no doubt engage in opposing strategies as they seek to cover and uncover, respectively, the sensational shooter, who is the nation's fifth leading scorer.

Another scoring threat is soph guard Rich Travis, who picked up 20 points when the Chiefs were in Canyon.

OCU leads the series with West Texas, 14 games to 13.

Golfer Gets Double Eagle

A "double eagle" was recorded by Gene Read last Saturday in play at Canyon City Club.

Rarer than a hole-in-one, the double eagle was made on Hole No. 3 using both a one wood and a four iron. Distance was 507 yards according to Gene Deeds.

RAYMOND RAILLARD, center, talks with a prospective "TEXAS" visitor at the Eighth Annual International Sports, Vacation and Travel Show in Los Angeles recently. Raillard is general manager of the outdoor drama. More than 100,000 visitors viewed the show.

'TEXAS' On West Coast

More than 100,000 people visited a "TEXAS" display at the Eighth Annual International Sports, Vacation and Travel Show in Los Angeles recently.

Raymond Raillard, executive vice president of the "TEXAS" sponsoring Panhandle Heritage Foundation, was on hand at the display to explain the production to tourists visiting the travel show.

The "TEXAS" exhibit was included in the "Avenue of Western States", which included twelve states, British Columbia, Alaska and Mexico.

In addition to "TEXAS", other attractions cooperating with the Texas Tourist Development Agency in the operation of the display included Six Flags Over Texas, Aquarena Springs, HemisFair '68, the Corpus Christi area and the Texas Tourist Council.

Other attractions of the sports spectacular in the 140,000 square foot displays included models of boats and motors, campers, trailers and hunting and fishing equipment.

While in Los Angeles, Raillard visited with a number of travel writers interested in "TEXAS". California ranked second only to Oklahoma in registered out-of-state attendance at "TEXAS" last year.

CHS To Meet Mule Teams
Canyon High's basketball teams will travel to Muleshoe on Tuesday, Feb. 3, for a trio of cage tilts.

At press time, Canyon's varsity boys owned a 4-2 mark which put them two games behind Tulia's 6-0 record in District 1-AAA.

Canyon's 3-1 varsity girls were just a half-game behind the 3-0 Tulia girls.

Both Canyon teams defeated the Muleshoe crews by narrow margins on Jan. 13 in Canyon.

A 'B' team game at 5 p.m. precedes the varsity clashes.

CHS Students In Contests
Canyon High School will select two representatives to participate in area finals for a "Government in Action Tour" at an all-school speech contest on Tuesday.

The two CHS representatives, a boy and a girl, will progress to the area contest in Tulia later this spring.

The local contest will deal with speeches about rural electrification.

Winners at the spring area meeting in Tulia will receive expense paid trips to Washington, D. C.

Museum Opening Is Sunday

For the first time in 30 years, the paintings of E. Irving Couse will be available to the public.

The Panhandle Plains Historical Museum Art Gallery will open their new \$600,000 unit, Sunday, Feb. 5, from 2 to 5 p.m., with the largest retrospective of Couse's works ever collected and exhibited.

The one man show will be representative of the world renowned artist's earlier years in Paris as well as his later complete passion for the Red Man.

Master of the natural, the relaxed, Couse came to Taos, New Mexico in 1901 in search of the Red Man. On the sun-baked plains, he found the authentic, red-hued Indian he had longed to paint.

Essentially, Couse was a studio painter, and it was not until the late twenties that he abandoned his winter New York life and made Taos his year-round home.

The most successful commercial artist of his day, Couse adapted an old Spanish Taos monastery for his studio and home. Many of the paintings to go on display Sunday were taken directly from the mission's vault storage where Couse had stored them before his death in 1936.

"Several of them had never previously been framed," remarked Boone McClure, Director of the museum. "It took me two years to talk Couse's son into giving us the exhibit," he continued.

The \$800,000 exhibit, containing 149 Couse's ranging in price from \$600 to \$35,000, will remain on display at the museum through February.

The museum is open Monday through Saturday from 9 a.m. to 5 p.m. and Sunday from 2 to 6 p.m.

Marriage Vows Pledged For Miss Haimes-Love

Marriage ceremonies for Miss Pamela Haimes and Terry Eugene Love were solemnized at the chapel of Calvary Baptist Church in Canyon on January 20.

Engagement Announced

The engagement and approaching marriage of Miss Vickie Lee Fitzhugh and Larry Byars is announced by Mr. and Mrs. Leon Fitzhugh of Silver City, New Mexico, parents of the bride-elect.

The prospective bridegroom is the son of Mr. and Mrs. Harold Byars of Canyon. He is a graduate of Canyon High School, attended West Texas State University and will receive his degree in electrical engineering from New Mexico State University in May. He is a member of Lambda Chi Alpha fraternity.

Miss Fitzhugh is a sophomore business administration major at New Mexico State University in Las Cruces. She is active in Zeta Tau Alpha sorority. The couple will be married May 29 at ceremonies in the First Presbyterian Church of Denning, New Mexico.

The bride is the daughter of Mr. and Mrs. Jack Haimes of Amarillo and parents of the bridegroom are Mr. and Mrs. T. S. Love of Canyon.

Double ring rites were read by Rev. Jack Boyett and wedding music was provided at the piano by Gene Riley.

Maid of honor was Miss Linda Bryant and David Haimes, brother of the bride, served as best man. Ushering for the occasion was Nathan Lockmiller, Jr.

Given in marriage by her father, the bride wore a street length white crepe dress. Her headpiece was a short mantilla veil and she carried a cascade bouquet of white carnations centered with an orchid. Her only jewelry was a string of pearls belonging to her great grandmother.

A reception in Fellowship Hall of the church honored the

couple after the ceremony. The bride's table was covered with an heirloom crocheted cloth over green and centered with a bouquet of white mums and chrysanthemums. The triple tiered wedding cake was accented with a bridal pair.

Reception houseparty members were Mrs. H. C. Bryant and Mrs. Norman Tuck.

For a wedding trip to points of interest in New Mexico, the bride travelled in an olive green suit with matching accessories and the orchid corsage.

The bridegroom's parents honored the couple at a rehearsal dinner at Clark's Fine Foods in Canyon.

Special out-of-town guests for the occasion were Mrs. Henry A. Krutiek of Fort Worth, Ben Pumphrey and Mr. and Mrs. Buck Munger, all of Amarillo.

The couple will make their home at 2508 South Taylor in Amarillo.

MRS. TERRY EUGENE LOVE

COOK OF THE WEEK Gives One-Dish Meals

BY LORENA MILLER

Recipes for Americanized Pizza and Goulash are shared with our readers this week by Mrs. Johnny Janak of 1905 Seventh Avenue.

Mrs. Janak, the former Sydney Mills, was raised at Tulla where she received her high school diploma. She then entered West Texas State University where she earned a BA degree in history and is currently working on her master's degree in that field.

"My thesis is all I lack," said Mrs. Janak who is teaching her second year as a graduate assistant at WT. She formerly taught at Taylor Junior High School near Austin.

Mrs. Janak is the daughter of Mr. and Mrs. Emory Mills of Tulla. Her brother, Larry Mills, is expected to graduate from WT in May and a sister, Linda Sharp, lives in Bryan.

Active as a homemaker, Mrs. Janak is also a member of the Canyon Study Club and Zeta Tau Alpha alumnae group.

"I like making things," said Mrs. Janak of her hobbies. She has recently made a large global lamp, which hangs from a chain. The lamp was constructed of various hues of baked glass.

"Crossword puzzles fill my time when I'm not busy antiquing old furniture and making other hobby items," stated Mrs. Janak.

Her husband, Johnny, who is city clerk for Canyon, graduated from Big Spring High School. He earned his BBA degree in business at WTSU and is presently completing work for the MA degree in public administration at his alma mater.

Janak's parents are the Johnnie Janaks of Amarillo. Both of his sisters, Drue and Nita, are students at WT.

The Janaks were married June 22, 1963 and have spent nearly all of that time in Canyon with the exception of an eight month period when they lived in Taylor, near Austin. The couple has one child,

Kevin, age 2. They are of the Methodist faith.

Since his marriage, Janak has been instrumental in the founding of a chapter of Phi Delta Theta alums here. His favorite hobbies are hunting and golf according to his wife.

"Johnny and my father had good luck hunting during the Christmas holidays," said Mrs. Janak relating that the two brought home a goose and several ducks.

Mrs. Janak readily admits that she learned to cook from her mother-in-law and shares two of those favorite family recipes with our readers this week.

AMERICANIZED PIZZA
1 (No. 303) can tomatoes
1 lb. sausage
2 cups cheddar cheese
1 cup Longhorn cheese
garlic salt
oregano

Prepare dough for hot rolls or use hot roll mix. If using hot roll mix, one box will make two pizza crusts. Prepare as for hot rolls according to package directions. Allow to rise twice and then press into large pizza pan.

Meanwhile, braise sausage (use mild-seasoned sausage) in hot skillet. Drain tomatoes and puree or chop fine. Grate cheese and mix together.

Sprinkle pureed tomato over pizza dough. Dot sausage evenly over tomatoes and sprinkle top with cheeses. Cover dough well with cheese. Sprinkle lightly with garlic salt and oregano.

Bake at 475 degrees until golden. Serve hot, cut in wedges.

GOULASH
1/2 cup green pepper, diced
1 cup celery, chopped
1 cup onion, chopped
1 (No. 303) can tomatoes
1 small can mushroom pieces, drained
2 lbs. hamburger meat, braised
salt, pepper, garlic salt (to taste)
grated cheese

Braise hamburger meat. Add tomatoes, mushroom pieces and chopped vegetables. Simmer on stove for about one hour.

Serve over cooked spaghetti, top with grated cheese. Pass parmesan cheese with dish.

HOMEMAKER OF THE WEEK Mrs. Johnny Janak is shown with a global lamp which she made recently from pieces of broken and baked glass. The lamp is extended from a gold link chain. Mrs. Janak, mother of a son, shares her favorite recipes for Goulash and Americanized Pizza with our readers this week.

The discussion included courtesy tips, tips on food, and etiquette.

Next meeting was set February 8, at 1:30 p.m. in the Clarence Howard home.

New members accepted were Mrs. R. J. Podzemny, Mrs. Zigfield Bolte, and Mrs. Jones Hales.

Others present were Mesdames Clarence Howard, James Lamb, John Plank, Warren Thompson, Erwin Podzemny, and Billy Green.

Social Deadlines

In preparation for spring months of bridal parties, engagements and weddings we would like to remind our readers of effective deadlines for the social page of the Canyon News.

All society news should be turned in by 10 o'clock on Tuesday morning of the week of desired publication. Weddings and engagements should be turned in by 5 p.m. on Mondays.

Articles for the page include all club reports, showers, anniversaries, engagements, weddings, teas, etc.

We like to bring to you, our readers, a complete page with a number of interesting features for women. To do this we need your help in meeting the deadlines.

We welcome all notes of parties, visitors and happenings around your home -- just give us a call at OL5-2141 to report your news.

Those women with recipes to share with our readers or interesting hobbies and crafts are urged to contact the society editor at any time.

Club Gives Bibs

TERRYCLOTH BIBS for residents at LaCasa Canyon Convalescent Home were presented last Friday by Mrs. Weyman Brown of the Canyon Jaycee-Ettes. Shown inspecting one of the bibs is Mrs. Elsie Money. The oversize bibs, made by Jaycee-Ette members, were in blues, browns, yellows, pinks, greens and many assorted colors.

Granddaughter Born In Japan

Captain and Mrs. John E. Regal announce the January 18 birth of a daughter, Lynne Marie, in Yokosuka, Japan.

Captain Regal is stationed in Yokosuka with the United States Marine Corps.

Grandparents are Mr. and Mrs. Ralph A. Wood of Canyon and Mrs. Frances Plante of Fremont, New Hampshire.

Agent Gives Club Topics

"Accessories Make The Room" will be the subject for a series of February programs by Mrs. D. C. Gamble, home demonstration agent.

Mrs. Gamble will meet with all county home demonstration clubs during the month to discuss proper accessories for the home and where they may be used for the most benefit.

At the various club meetings, members will answer roll call with "a room accessory that I have made".

Society News

Cancer Films Are Slated

Two cancer films, designed especially for women, will be presented in a free public showing on Tuesday, February 21, at the Olympic Theatre in Canyon.

Sponsored by the Randall County unit of the American Cancer Association, the films will be shown at 7:30 p.m. and

the program will be concluded with a question-answer session with Dr. Leta Boswell in charge.

Films to be shown will include the new version of "Breast Self-Examination" and "Time and Two Women".

Spring Fabrics

FABRICS FOR SPRING were inspected by members of the ninth grade home economics class last Friday at Dan's Fifth Avenue. Mrs. W. R. Parker, owner, explains the combination for an

Easter frock with, left to right, Jenna Thompson, Melissa Hicks and Linda Dudenhoefter. The girls are members of a class instructed by Mrs. Elizabeth Cummings.

RANGER E. G. ALBERS spoke to members of the Sue Hite Club last Monday afternoon on state laws that "handcuff" the law enforcement officials. Albers is shown here with Mrs. W. F. Haggard, program chairman, during a question-answer session which concluded the meeting.

Mr. and Mrs. Bill Watson and sons, Lynn, Ricky, and Gaylon of San Angelo were week end houseguests of her parents, Mr. and Mrs. Earl E. Miller. Other out-of-town guests in the Miller home on Sunday were the Dale Watsons of Amarillo and the Wylie Hannah family of Tulsa.

Visiting in the R. E. Chambers home Sunday were Mr. and Mrs. Bud Myers, Mrs. Eunice Myers, Mr. and Mrs. Roland Myers, Mr. and Mrs. Alvah Doak and sons, all of Lubbock; Mr. and Mrs. J. D. Price and son, J. W., from Plainview;

Mr. and Mrs. Richard Wooten from Clovis, New Mexico; and Mr. and Mrs. Bob Combee and children, Barbara, Rickey and Stanley Holt.

Ranger Discusses Handcuffing Law

"Handcuffing The Law" was the subject of a speech by Texas Ranger E. G. "Butch" Albers at a meeting of the Sue Hite Club of Canyon recently in the Girl Scout Building.

Ranger Albers discussed several recommendations for changes in the Texas Criminal Code. He said that restrictions in Texas are "more rigid on admissibility of evidence." "Juries are more lenient in most cases than judges," stated Albers.

In Texas, sentences are too lax on murder according to Albers, who stated that Texas takes murder "less seriously than other states, with the exception of Alaska."

Albers recommended changes in "laws which criminals now use to their advantage."

The program was concluded with a question-answer session under the direction of Mrs.

Xi Kappa Zeta Holds Meeting

A regular meeting for Xi Kappa Zeta chapter of Beta Sigma Phi sorority was held recently in the Charles Pecknappaugh home.

During the business meeting, members discussed a fund raising project to benefit Girlstown and planned a bake sale to benefit the Girl Scouts of Canyon.

Plans were also discussed for the upcoming Valentine Ball and the meeting was concluded with members making decorations for the affair.

A program on "nature" was given by Mrs. James Erwin and next meeting was set for February 28 at 8 p.m. in the Elmer Clement home.

Present for the occasion were Dr. Leta Boswell and Mesdames Bob Brotherton, Elmer Clement, Robert Daniel, James Erwin, Herbert Kuhlman and Misses Betty Patterson and Virginia Rossiter.

HD Club Has Meet

Palo Duro Rusk Home Demonstration Club met last week in the Clem Dugan home for a brief business session with twelve members and two guests in attendance.

A program on "Etiquette" was given by Mrs. Alvin Kuhlman in the form of a question-answer session.

Recommendations from council were read and approved and the council delegate gave a report.

Next meeting was set for February 14 at 2 p.m. in the Weldon Gray home.

Etiquette Is Topic Of Meet

"A Day with Amy Vanderbilt and Emily Post" was the title for a program at the Pleasantview Home Demonstration Club meeting last week.

The program, directed by Mrs. Jim Irlbeck, dealt with proper etiquette. Members answered roll call with a "courtesy that I admire in others".

The opening exercise featured timely tips on food by Mrs. Irlbeck. Mrs. Cristler Crain, vice president, was in charge of the business meeting as council recommendations were adopted and the club's yearbook recommendations were given by Mrs. Allen Downing.

Next meeting was set for February 8 at the B. L. Hufnagle home when the club will have a covered dish luncheon.

Present for the session were guests, Mrs. W. K. Bagley and Mrs. James Hill and members Mrs. W. E. Lee, Mrs. Cristler Crain, Mrs. O. L. Riley, Mrs. Bill Head, Mrs. Allen Downing, Mrs. Earl Burtz, Mrs. Gilbert Irlbeck, Mrs. J. A. Meyer, Mrs. H. M. Stokes, Mrs. Jim Irlbeck and Mrs. Morris Henderson.

Edgetown HD Holds Meet

Edgetown Home Demonstration Club was entertained recently in the Max Bosley home as members made plans for upcoming meetings.

Planned for the next meeting, February 9, was a "senior citizen guest day" to be held at the Bill Dugan home.

Present for the occasion were Mesdames H. H. Widick, Donnie Rogers, R. W. Thompson, Velton Sargee and Max Bosley, Jr.

W. F. Haggard, program chairman.

Preceding the program, a brief business session was conducted. Next meeting was set for February 27 at 3:45 p.m. in the home of Mrs. Hud Prichard, 916 Sixth Avenue. Co-hostesses will be Mrs. Oscar Hinger and Mrs. W. E. Miller.

BY MRS. J. W. WESLEY

Our weather has been warm, dry, and windy for the past week.

Ervin Wilson attended the funeral for Jack Moore of Hollis, Oklahoma. Mr. Moore was the father of Lee Moore, agriculture teacher in the Happy Public Schools.

Former Resident Earns Army Award

Mrs. Lorena S. Richards, who earned a scholastic key here and is a graduate of West Texas State University, was recently awarded the second highest Army award that a civilian employee may receive.

The Meritorious Civilian Service Award was presented to Mrs. Richards by Major General George T. Powers, III, commander of Fort Bliss.

Census Rolls Are Completed

"We have had good cooperation in collecting the school census this year," stated Lawrence Brotherton, chairman.

The census was concluded in a citywide canvass Tuesday by off-duty letter carriers and throughout the rural district by school bus drivers.

All families with children, age 0-18, should have been contacted during the month according to Brotherton. In the event that your family was not contacted you are urged to contact Brotherton at OL5-2509.

Mrs. G. E. Wesley visited with Mrs. J. W. Wesley Wednesday afternoon.

Berta Bell Culp has been visiting with relatives in Washington, Oregon and California since Christmas.

Mr. and Mrs. Robert Langston and children, Denise and Bobby, were guests of the J. W. Wesleys on Saturday.

Mr. and Mrs. J. W. Wesley visited Friday with Ann Langston and Jimmy.

Richard Evans visited with Albert Devin on Friday.

Mrs. Richard Evans visited last Thursday with two of her sisters in Amarillo.

Mr. and Mrs. S. A. Hodges have taken their son to San Antonio for evaluation on his progress.

Lizzie Wesley visited Wednesday morning with Edna Wilson.

Tongue and Thimble Club met in Ora Evans home for the first session of the new year. The meeting was opened with a question and answer session and members answered roll call with resolutions for the new year.

During the business session, club members discussed projects to aid Girlstown, voted to continue sending cards to the ill, and conducted a drawing for the door prize. Various hobbies and crafts were on display at the meeting.

Members present for the meeting were Annie Read, Viola Buchanan, Madge Sutton, Lizzie Wesley, Grace Schaeffer, Annie Wesley and the hostess, Ora Evans.

Concerts On Campus

Two internationally acclaimed artists will be presented in concert-recital appearances at West Texas State University Feb. 5 and Feb. 8.

Ottomar Borwitsky, principal cellist of the Berlin Philharmonic Orchestra, will be guest soloist with the WTSU orchestra at 3 p.m. Sunday, Feb. 5.

Jeffrey Siegel, Leventritt Foundation award winning pianist, will be presented in recital at 8:15 p.m. Feb. 8.

Both programs will be in the Fine Arts Auditorium at WTSU. There will be admission charge.

JIM COWART

Cowart Wins Lion Club Essay

BY WAYNE BOARD

A 15-year-old sophomore at Canyon High School won the local Lions Club "Peace Is Attainable" essay contest.

Jim Cowart, son of Mr. and Mrs. O. P. Cowart, bested about 50 other students with his essay entitled "Peace--How?"

His essay will be in competition with 60 other entries for District 2-T 1 competition March 1 in Friona.

"I believe today's peace movements are ineffective and incapable of stemming the tide of war," the five-page essay reads, "because their basic doctrine is obsolete and does not conform to modern sociology."

"I believe we should begin to concentrate on the causes of peace and take affirmative action. We should begin by asking how people do behave as opposed to how they should behave," the essay continues.

"Man's cultural development began in caves," the essay concludes. "It has now broadened to include the society of today, and it points to a future of unperceived ideas. When these ideas culminate, institutions may be formed that are as inconceivable as immortality. These will be institutions of world peace."

Jim said the original idea for the essay work was in the form of an assignment from Mrs. Ilona Smith, first-year, CHS teacher for an accelerated English class.

"She is willing to go that extra mile," young Cowart said of Mrs. Smith.

The teacher, he said, helped each of her 26 students in the class prepare an essay. The entries were then narrowed to four.

by James Perkins, CHS assistant principal.

Jim said the first draft of the essay was 35 pages in length, but with the help of Mrs. Smith he managed to narrow his entry to five pages.

The student said he had no desire to write professionally. "I like to write for what I can say--anything that makes you think," he said.

Jim said he prepared the final essay entry for class by Dec. 1 of last year.

"I knew it word for word," he laughed.

Jim's father is concessionaire for the West Texas State University Buffalo Bowl and Fieldhouse and his mother is speech therapist for the Canyon Public Schools.

Young Cowart was in the technical crew of "TEXAS" last year and plans to apply for a similar position again this summer.

He is an officer of the Canyon Christian Youth Council and is committee chairman for the Sunrise Easter Service held yearly in Palo Duro Canyon State Park.

Jim is also president of the CHS Library Club.

He played basketball until he received a knee injury in December and will not be able to "hit the courts" until Feb. 15.

"That's the day after the season closes," he sadly said.

Future plans for the essay winner will probably include, he said, attending a large university as a business administration major.

Foods Show Is Planned

The annual Favorite Foods Show is slated to be held Saturday, February 25, at the Junior Livestock Building in Canyon according to Mrs. D. C. Gamble, home demonstration agent.

Girls entering the show must be a minimum of ten years old and will prepare dishes in one of the four food groups including meats, breads and cereals, fruits and vegetables, and milk products.

"The entrants will be required to prepare their own dish, use the proper place setting, be able to explain the nutritive value of their foods and have complete record books," according to Mrs. Gamble.

Record books will be due in the home demonstration agent's office by 5 p.m. on February 23. The books will be judged on February 24.

Entrants must set up their exhibits on February 25 between 12:30 and 1 p.m. Judging will be conducted at 1 p.m. and the show will be concluded with a program and awards at 4:30 p.m.

Assisting Mrs. Gamble with the foods show are Mrs. Glenn Williams, Mrs. Louis Henders and Mrs. Roger Dugan.

Club Elects New Slate

New officers were elected to head the Wheat Empire Investment Club at a late January session.

Named president was Don Vars.

Other officers elected were Benny Cooper, vice president; Delbert Turk, secretary; and Col. Bob Muir, treasurer.

MYF Group At Meeting

Representatives from the Methodist Youth Fellowship of the First Methodist Church of Canyon were in Hereford Saturday to attend a district MYF meeting.

Present from the local group were Scott Downing, president; Randy Price, Charles Whitman and Mrs. Stan Elliott, sponsor.

Birdie Slays 'em

PREVIEWS of "Bye, Bye Birdie" featuring the singing idol, Conrad Birdie, as portrayed by Ray Walker were held Friday afternoon on the courthouse lawn. Conrad's crooning of "Sincerely" caused an uproar as numerous ladies fainted from the excitement. The all-school musical was held Friday and Saturday nights at Canyon High School under the direction of Linda Adams and Eddie Thomas. Both performances were sold out.

Wildcats Tip Buffs 70-69

West Texas State's game Buffalo lost a heartbreaker in the last 27 seconds to the Wildcats of Abilene Christian College by a 70-69 score Tuesday night in Buffalo Fieldhouse.

The fighting Buffs were never behind in the last 15 minutes of the game until the 0:27 mark when the Cats' 6-8 David Wray connected on a tip-in to give ACC a 69-67 edge.

WT had owned as much as a six-point lead when they were on top 56-50 with 11:34 to go in the second half, but ACC closed into tie things up 56-56 within the next 2:40.

The Buffs went back ahead at the 7:52 mark 60-58 on a Mike Mitchell field goal, and led for the next 4:42, although they could not manage a margin of over four points.

The Wildcats tied the count at 67-all with 3:10 to play, and the Buffs then went into a stall, but the strategy failed to draw the Cats into fouling, and had to be dropped when Wray put ACC in front on his tip-in.

With 12 seconds remaining, sub guard Val Franklin cuffed ACC's Larry Adams in an attempt to get the ball which WT needed so badly, and on the resulting foul shot Adams hit the winning point by putting the Wildcats in a 70-67 command.

A jumper by Dale Morris from the side of the lane with three seconds left narrowed the lead, but could not change it, and West Texas went down to its eleventh defeat in twelve games.

WT took the lead on six occasions in the tilt, while the Cats led in only three streaks. The score was tied eight times.

Mickey Pitts and Mike Mitchell tied for scoring honors in the game with 25 points each. John Ray Godfrey, a 6-3 guard, led Abilene Christian with 19 tallies.

Mitchell sank every one of his 11 free throws, while Pitts found the mark on seven of eight charity tosses.

West Texas outrebounded the Wildcats 29-27. Pitts was the top rebound collector for the Buffs with eight, and high-springing David Nowlin picked up seven, although he missed most of the second half.

Nowlin left the game when he was charged with a technical for not raising his hand when

RCHSC Tours T-Anchor Site

A tour of the T-Anchor Ranch headquarters was made last Friday by members of the Randall County Historical Survey Committee.

The inspection tour was conducted as the opening phase for a planned restoration project at the site.

The tour was preceded with a luncheon in the Terry Martin home and concluded with a business session there.

During the business meeting, plans were outlined for the February 9 meeting which will feature a discussion of "markers erected and planned for the county" by Leroy Hutton and a discussion of the state's point system by Mrs. Raymond Railroad.

Those present for the business session, tour and luncheon were Mesdames Clyde Warwick, T. B. McCarter, C. L. Wilson, Joe Cox, Doug Rittenberry, R. A. Neblett, Velton Sogee, Johnny Raymond, Terry Martin and Mistess Leroy Hutton and Joe Gidden.

Tax Amendment Explained

Several people in Canyon connected with tax collection and assessment met with area residents in Amarillo recently to discuss an amendment to Article VIII of the State Constitution.

Those present from the Canyon Independent School District included Conway Kuykendall, tax assessor-collector; Huey Laycock, school superintendent; Joe Gill, board president; and J. O. Parker, trustee.

City Manager Gary Gwyn and Alan Ratliff, city assessor-collector, along with Canyon land developers Hosea Foster and Jim Christopher also attended the meeting.

Speaker for the affair was O. R. Watkins, Levelland School tax assessor-collector.

The amendment reads, in part: "...to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

The local tax assessor may inspect the land and require evidence that the property has been used for agricultural purposes for the past three years.

"If the designated land," the amendment continues, "is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional tax.

The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed."

Watkins said he understood land could be designated for agricultural use if 51 per cent of the owner's income was derived from agriculture.

Those present from the Canyon Independent School District included Conway Kuykendall, tax assessor-collector; Huey Laycock, school superintendent; Joe Gill, board president; and J. O. Parker, trustee.

City Manager Gary Gwyn; Alan Ratliff, city assessor-collector; and Jim Christopher, head of the city equalization board were also present.

A FIRE AT CONNER Hall, West Texas State University women's dormitory, was reported Saturday afternoon.

Canyon Fire Department members extinguished the mattress fire believed to have started due to faulty wiring.

The room was occupied by Linda Rucker, a WTSU student.

A MUNTZ FOUR-TRACK stereo unit was taken last week from an automobile parked at the Jarrett Hall on the West Texas State University campus.

Also taken were ten stereo tapes.

BETH ALBERS, daughter of Mr. and Mrs. J. E. Albers of Canyon, has posted a grade point average of 3.55 at St. John's College, Winfield, Kan.

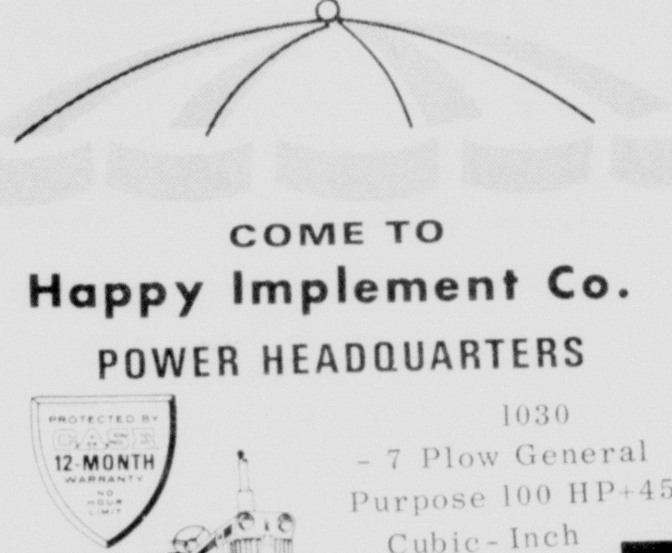

Beth is enrolled in the parish worker program. She is a member of Faith Lutheran Church.

APPROXIMATELY 350 high school and junior high school band students competed in the annual West Texas State University Stage Band Festival last Saturday.

A special performance by the Paschal High School stage band was conducted during the afternoon sessions.

There were 16 area bands in the competition.

how many new cars look like old Pontiacs?

What'll they copy next year?

Other carmakers have already tried to copy our split grille, our stacked headlights, even Wide-Track. Of course, they haven't learned how to put them together right. Which is probably why people are buying 1967 Pontiacs even faster than they bought 1966 Pontiacs. And 1966 was our best year ever.

It seems that a lot of people don't want to wait around for innovations like our disappearing windshield wipers (articulated wide-sweep wipers—the kind you still get only on Pontiacs). And for imaginative options like our exclusive hood-mounted tach.

People like the idea that powerful 400 cu. in. V-8s are standard on all the big Pontiacs this year. And that nobody has even come close to the regular-gas 165-hp Overhead Cam Six that powers our Tempest series.

And people like knowing that all Pontiacs and Tempests come with the complete General Motors safety package.

Of course, somebody else may come up with a pretty good imitation of a 1967 Pontiac. In a year or two. But why wait? Your Pontiac dealer has the real thing right now.

Canyon Youngsters See Track Greats

BY JON LOW

Sixteen young track enthusiasts from Canyon were in Albuquerque, N.M., last weekend at the Albuquerque Jaycee Invitational Indoor Track Meet, where they witnessed three world records and numerous other outstanding performances.

The boys, 11-15 years of age, who made the trip were Frank Belcher, Robert Bull, David Carter, Robbie Carter, Ricky Edmondson, David Erwin, Doug Hooker, John Hoover and Neal Knighton.

Ed Lair, David Low, Frank Mayfield, Bill Moore, Mike Shadix, David Smith, and Tolbert Wade completed the group.

Accompanying the boys on the trip were Dr. and Mrs. J. Edwin Low, Swayne McCauley, Phil Hampton and Jon Low.

Graveside Rites Held

Graveside services for two-day-old Sandra Sue Hamby were conducted Tuesday at Dreamland Cemetery with Rev. Strauss Atkinson, pastor of the First Baptist Church, officiating.

Born at Neblett Memorial Hospital January 28, the infant died January 30 at St. Anthony's Hospital in Amarillo.

She was the daughter of Mr. and Mrs. Buddy Sherrel Hamby of 603 17th Street in Canyon.

Other survivors include a half-sister, Kathleen Ellis; a grandmother, Mrs. Lillian Hamby of Miami; and grandparents, Mr. and Mrs. Ernest Whalen of Canyon.

Services were directed by LaGrone Funeral Home of Canyon.

Judge Jordan also gave six adult probation terms.

They include William Elbert Fallwell, 38, of Box 186 in Friona, five years for driving while intoxicated, second offense; Harvey Comer Oliver, 20, of 2310 West Degrar in Midland, four years for burglary by breaking; Jeter Wayne Montgomery, 18, of 2632 Eldorado in Amarillo, four years for burglary by breaking; Karl Heinz Scholz, 18, of 1405 Hayden in Amarillo, four years for theft; Gary Lloyd Marshall, 18, of 2021 Magnolia in Amarillo, five years for theft; and James Douglas Johnston, 18, of 1601 Martin Road in Amarillo, five years for theft.

4-H Club Has Meet

Lucky Beavers 4-H Club met recently at the Paul Dudenhoefer home to discuss activities of the Junior Livestock Show and the placings earned by club members.

Plans were also discussed for field trips to be taken to points of local interest.

The club is currently conducting a membership drive and eligible boys and girls interested are invited to contact either Bob Gruner, James Hester, Alan Fletcher or Paul Dudenhoefer for additional information.

Those present for the recent meeting were Nedra and Steve Turpin, Mike and Linda Dudenhoefer, Alan Fletcher, Gary Hester, Tracy Erwin and Bob Gruner.

Civic Group At Banquet

Canyon Jaycees and Jaycee-ettes were in attendance at installation ceremonies for the Claude Jaycees last Saturday night.

Attending the banquet from Canyon were Allen Parson, Wayne Edmondson, Mr. and Mrs. Jim Scott, Mr. and Mrs. Meade Michael, Mr. and Mrs. Delbert Turk, Mr. and Mrs. Charles Marshall and Mr. and Mrs. Jackie Whitley.

Elmendorf Air Force Base in Anchorage, Alaska has two captains from the same household.

Captain Edward and Captain Carol Babitzke are both in the United States Air Force. Both are graduates from West Texas State University in Canyon.

Captain Edward holds a Master's Degree from WTSU and is a graduate of Officer Candidate School. He is a 15 year veteran of the Air Force and is presently commander of the 21st Air Base Group Headquarters Squadron at Elmendorf AFB.

His wife, Carol, holds a B.S. degree from WTSU and is a five-year Air Force veteran, having received her commission in 1962 from the officer training program. She is presently chief of the Data Control Section of the Consolidated Base Personnel Office at Elmendorf AFB.

The two captains met at a housewarming party when they were both stationed at Lackland AFB in Texas and have been married for three years. Both are native Texans. Carol is the daughter of Mr. and Mrs. Donald F. Witt of Grantsville and parents of Edward are Mr. and Mrs. Bert Babitzke of Canadian.

Real Estate Meeting Is Held By City

Seven real estate developers met with City Manager Gary Gwyn last week to present their views on proposed changes in subdivision regulations for Canyon.

Those present included Arch Hunsley, Jim Christopher, Bill Money, George Blackwell, Hosea Foster, O. H. Dixon and Presley Kennamer.

Representing Bill McMories, city consulting engineer, was Glen Sparkman.

The developers discussed the regulation changes proposed and elected to permit Christopher to make final suggestions and recommendations to Gwyn.

Gwyn said he would arrange a meeting with the developers and Marvin Springer, urban planning consultant of Dallas, who prepared the proposed changes.

The points discussed will also be presented to the City Commission at a later date for consideration. The city dads had earlier discussed the proposals but decided to present the changes to the developers before a decision was made.

There were 17 pages of subdivision regulations discussed at the meeting last week.
